About ATINs

ATINs are one of the leading technical and vocational training service providers since 2003, with four campuses located at Mandra and Dina (Punjab), Amangarh (KPK) and Khairpur (Sindh). With the assistance from HQ NLC, multiple national and international agencies/organizations, ATINs offer vocational training to youth in order to contribute towards socio economic development of Pakistan.

- ATINs are accredited/affiliated with the National Vocational and Technical Training Commission (NAVTTTC), Technical Education and Vocational Training Authorities (TEVTAs), TTB/NUTECH and are also ISO 9001:2015 certified.
- ATINs have trained over 66,000 individuals since its inception and have a capacity to train over 3600 trainees per session (on a quarterly basis), with in-house boarding and lodging facilities for over 2500 student.
- ATINs are the only chain offering HTV drivers training in Pakistan and one of the few institutes offering courses on heavy machinery and mechanical handling equipment.
- ATINs Placement Cells help students apply for jobs, and in locating jobs locally, and internationally.
- HQ ATINs has recently signed MoUs with Overseas Employment Corporation (OEC), Government of Pakistan and the Fauji Foundation (FF) for providing 'Test Bench' facilities available at all ATINs for the selection and/or recruitment of skilled manpower.
- ATINs are working in close liaison with Overseas Employment Promoters (OEPs) for employment of trainees abroad.
- ATINs collaborated with Tang International Education Group China for Dual Diploma Split Education Program. Student will study 2 years at ATIN Mandra and 1 year at selected Chinese Institutes in China.
- ATIN Dina, in association with the National Highway & Motorway Police (NH&MP), offers driving licenses to students.
